

Chrismarbel Asset

We are an international financial company engaged in investment activities, which are related to trading on financial markets and cryptocurrency exchanges performed by qualified professional traders. We also invest in many other fields such as real estate, recycling, oil and gas, agrobusiness and many more

About Us

Chrismarbel Asset is an established non-bank finance provider to the Australian property finance sector, providing a full range of secured debt and equity funding facilities for small and large property clients.

Chrismarbel Asset is a recognised market participant, with extensive relationships, broad sector knowledge and the track record and experience to provide well-structured facilities with consistent risk weighted returns managed on behalf of its private and institutional investors. Chrismarbel Asset is also an active investor, co-investing alongside its investors, providing an alignment of interests and an ongoing commitment to the hands-on management ethos which underpins Chrismarbel Asset's success.
